SUCTION CUPS (VACUUM PADS)

Apart from our **CUSTOMISATION & DESIGNING** capabilities...

We also offer ESD (Static Dissipative), NON-STICK, HARDNESS & HEAT RESISTANCE (Temp.) Solutions.

All our parts are **DESIGNED & MANUFACTURED IN-HOUSE / LOCALLY** to enable "Quick & Easy" fitting, and to provide **Optimum Vacuum Suction & Retention** during "Pick & Place" functions for various components and applications.

Your precision vacuum suction technology provider
